I hereby testify that my company Aimgrove Pty Ltd, trading as Emerald Service Centre has had dealings with Emerald Quarries for the period of the last 20 years, in the supply of their parts requirements for trucks, trailers, machinery and oils.

During this period I have found their Directors, Terry and Debbie Peisker along with all their other family members involved in the company to be of upstanding character and straight forward in all their business dealings.

I recommend their Company to any business looking to use their services.

Yours faithfully,

AGC McDonald
Director
Emerald Service Centre
